## Skin Care

**The Essential Facial**  
Say goodbye to outdated cookie cutter treatments. Dermalogica's skin treatment is designed & customized throughout to meet your exact skin's needs. Delivering visible results through Dermalogica's professional strength formulas, exclusive techniques & advanced technology, we guarantee you have never experienced a more thorough or expertly given skin treatment than this.

..... 60 min. for 70

**Microdermabrasion**  
Using the latest technology, Microdermabrasion and dermabrasion slough off the dead skin cells that make your complexion look dull. This process stimulates collagen production for plumper, firmer skin and helps the skin's natural rejuvenation process. The tone, texture and colour of your skin will look improved after just one treatment with brighter skin, tighter pores softened lines and a more even texture. It also improves circulation and lymph flow to help keep skin healthy from the inside out.
